

Professional Development Schedule

*Regular Education, Special Education and CTE/Vocational are
Included in This Schedule*

(Technology In-Service is in a Separate Document)

School Year 2011-12

Macon County School System

Note: ** Principals may require two days of in-service training for their faculty.**

In the professional development survey all classroom teachers are asked to complete, the definition of high quality professional development has changed. In order to be in compliance with the new definition, high quality professional development must be at least 9 hours (1 ½ days) of related activities. This year's professional development schedule has tried to incorporate this and schedule opportunities that fulfill this obligation. All sessions that could be used to fulfill the 9 hours have been coded after the title. Not all sessions will be coded as high quality, but will count as in-service unless otherwise stated. Please choose at least 9 hours worth that have the same corresponding code. Some activities will fulfill more than one area and can be used as such. The codes are listed below.

A - Administration	I - Instruction	C - Curriculum
Tech - Technology		Tst - Testing

New Evaluation Model

Presenter: School Evaluation Team/Principal
 Person in Charge: Principal
 Time: 8:30 – 3:30
 Place: Home School
 For: All Teachers

Since the new evaluation model goes into effect during this school year, and with all teachers being subject to annual evaluations regardless of years experience, it is felt that a detailed overview be presented to each faculty of the new expectations and procedures. Various individuals from each school and the central office have been trained to conduct the evaluations and will present the new model to the individual school faculties. The building level principals preferred to meet with their specific schools so the date can be set depending upon what works best for each separate school.
